

[illegible]

A diagram of a cross-section of a seed or fruit. It shows an oval shape with a central cavity. A horizontal double-headed arrow across the middle is labeled D_S . A vertical double-headed arrow on the right side is labeled D_L . There are several small, irregular shapes along the inner boundary of the oval, with one labeled 5. A small, shaded, irregular shape is labeled 4. A curved line on the left side is labeled 10.
